Report of the Executive Committee 1925-26

1. NOVEMBER 12TH, 1925. Letter from H. C. Velte. *M. R. Ahrens' Illness :* On Dr. Velte's suggestion, a medical certificate from the Civil Surgeon, Dehra Dun, was secured by J. W. Bowman, explaining the nature of M. R. Ahrens' illness and reassuring us of his condition.

2. NOVEMBER 14TH, 1925. Letter from Dr. E. G. Lewis. *Emergency Repairs of Philadelphia Hospital :* Resolved that the India Council be requested to grant a sum of Rs. 875 from the Emergency Fund for reroofing certain quarters for patients in the Philadelphia Hospital. It was noted that the total cost would be about Rs. 1,500, and that the balance would be made up from hospital fees.

3. NOVEMBER 17TH, 1925. Letter from H. C. Velte. *Nabha Property, Ambala :* No action was taken, as it was thought that the India Council would itself approve the immediate purchase, as recommended by the Mission, without any further reference from the Executive Committee.

4. NOVEMBER 17TH, 1925. Letter from Miss E. Morris. *The Shamilat Land, Jagraon :* Resolved that the Ludhiana Station be permitted to arrange for the purchase of the piece of land lying on the opposite side of the road from the Jagraon School compound, as this item was actually on the Preferred List of Property and the money made available in 1924.

5. DECEMBER 3RD, 1925. Letter from Dr. H. Caldwell. *Dr. Caldwell's Leave of Absence :* Resolved that Dr. Caldwell be granted leave of absence from Ferozepur Station for three weeks in December, for the purpose of visiting some hospitals down country and spending Christmas week with friends near Jubbulpore.

6. DECEMBER 8TH, 1925. Letter from B. T. Schuyler and P. C. Speers. *Dr. Velte's Substitute on the Property Committee :* Resolved that H. A. Whitlock was elected Chairman of the aforesaid committee.

7. DECEMBER 13TH, 1925. Letter from Miss N. H. Ferger. *Principalship of Dehra Girls' School :* Miss Ferger's letter, expressing her reluctance to have her name considered for the principalship of the Dehra Girls' School, was not acted upon by the committee,

as it seemed necessary to have before us further preliminary action by the Dehra Board of Directors.

8. DECEMBER 14TH, 1925. Letter from Miss M. C. Helm. *Refund of Military Scholarship :* On Miss Helm's request, correspondence was entered into with the Department of Education regarding the department's demand for a refund of Rs. 182, this being a military scholarship paid to the daughter of a worker now in Saharanpur.

9. DECEMBER 16TH, 1925. Letter from W. J. Clark. *Motor Car for Mr. Ross's District Work :* At the request of Mr. Clark, a letter was sent to Mrs. Ross, asking her to express her desire with reference to certain funds contributed for a motor car to be used in the district.

10. JANUARY 2ND, 1926. Letter from H. C. Velte. *Audit of H. C. Velte's Books:* A. B. Gould was appointed to audit the accounts kept by H. C. Velte in Classes V and VI.

11. JANUARY 6TH, 1926. Letter from R. B. Nesbitt. *Proposed Hospital in Nawashahr:* It was decided that, as the proposal to establish a Mission Hospital in Nawashahr involves far-reaching questions of Mission policy, the Executive Committee do not feel themselves to be in a position to take up the matter.

12. JANUARY 12TH, 1926. Letter from Miss L. M. Clark. *Proposal to Establish a General Hospital at Ferozepur:* After lengthy correspondence and in view of letters received from H. C. Velte, Dr. Dodds, Dr. Wanless, Dr. Wilfred Jones and from the Joint Medical Committee and the Intermediary Board, the committee decided to record the desire expressed by Ferozepur Station, the Joint Medical Committee and the Intermediary Board that Dr. Wilfred Jones be appointed to the Punjab Mission with a view to the opening up of a general hospital. The committee held, however, that the consideration of fundamental policy, as pointed out by Dr. Speer in his recent letter, will have to be taken up in the full Mission Meeting in October.

13. JANUARY 15TH, 1926. Letter from H. C. Velte. *R. W. Key's Return to America:* After lengthy correspondence with Mr. and Mrs. Key and with Mr. Key's physician, Colonel Barber, Civil Surgeon, Dehra Dun, the Executive Committee regretfully sanctioned the return of Mr. and Mrs. Key to America, and arrangements were made through the Mission Treasurer for their passage.

14. JANUARY 20TH, 1926. Letter from W. J. Clark and Dr. E. G. Lewis. *Furlough of Miss M. DeWitt :* Resolved that in view of the Medical Committee's recommendation, Miss DeWitt be permitted to go home on furlough at once, and the Mission Treasurer be requested to make the necessary advances for travel expenses.

15. JANUARY 24TH, 1926. Letter from H. C. Velte. *Annual Medical Examination of Missionaries:* The rule in the Board's

Manual, in regard to the annual medical examination of our missionaries, was brought to the attention of the Medical Examining Committee, and an expression of fresh opinion as to the feasibility of carrying out a more regular medical examination was invited.

16. JANUARY 16TH, 1926. Letter from H. D. Griswold. *Principalship of Landour Language School:* After exhausting the possibilities within the bounds of our own Mission, a letter was sent to the Chairman of the Executive Committee of the North India Mission, and to Miss Johnson of the North India Mission, requesting that, if possible, Miss Johnson undertake the principalship of the school for the months of May and June.

17. JANUARY 26TH, 1926. Letter from Miss M. C. Helm. *Repairs to Ahmad Shah Property, Jagraon:* Resolved that Ludhiana Station be permitted to make an overdraft of Rs. 100 to pay two years' repairs in arrears, at Rs. 50 per year, on the Ahmad Shah house at Jagraon.

18. JANUARY 30TH, 1926. Letter from E. D. Lucas. *Recent American Graduates Available for Short Service Appointment:* Letters were written to Dr. Janvier and Mr. Mitchell reporting that some very good men from Wooster might be available for short term appointment.

19. JANUARY 30TH, 1926. Letter from Miss E. M. Donaldson. *Retirement of Miss Donaldson:* Resolved that in view of the feeble health of Miss Donaldson's sister, and her own feeling that she will be unable to carry on the principalship of the Dehra Dun School after this session, she be permitted to return to the U.S.A. about the middle of May, 1926.

20. JANUARY 26TH, 1926. Letter from H. C. Velte. *Vacancies in Committees Due to H. C. Velte's Becoming Secretary of the India Council:* The following persons were appointed to fill the vacancies caused by Dr. Velte's taking up the secretaryship of the Council:

Property Committee	H. A. Whitlock
Urdu Language Examining Committee ..	F. J. Newton
Ludhiana Evangelistic Committee	C. Borup
Intermediary Board	A. E. Harper
Punjabi Language Examining Committee ..	Rev. S. N. Talib-ud-Din

The vacancy on the Committee for Guidance of New Missionaries was left unfilled, and it was understood that Dr. Velte would continue to be a member of the Committee on Historical Records and of the Board of Directors of the Forman Christian College.

21. JANUARY 27TH, 1926. Letter from B. T. Schuyler. *Appointment of Miss A. H. Gregson to the Ambala School:* On the request of the Ambala Station, backed by the medical advice of Mrs. Schuyler and Dr. E. G. Lewis, it was resolved that Miss Gregson be transferred from Shahdara to Ambala from the 15th March, in order to take up work in the Girls' Boarding School.

22. FEBRUARY 9TH, 1926. Letter from J. V. Barrows. *The Use of the Money Realized from the Sale of the Property at Fazilka :*

(*a*) Resolved: that Rs. 1,287 from the sale proceeds of the Fazilka property be assigned to the electric installation in the two Mission bungalows at Ferozepur.

(*b*) That the remainder of the Rs. 1,500 (viz., Rs. 213) from Fazilka be turned into the funds being realized from the sale of the Muktesar property, and be made available to meet the same expenditure sanctioned from that fund, namely, Rs. 4,000, for special repairs on Mission property at Ferozepur or any future draft sanctioned from that fund.

(*c*) That permission be given to borrow from the Fazilka sale proceeds for the carrying out of this electric installation at once.

(*d*) That the portion of the increased estimate for electric fittings for the Ferozepur bungalows be paid out of the sale of the Fazilka improvement up to Rs. 200, this balance having already been voted to be merged into the Muktesar Fund.

(*e*) That until sanction is received from the Board, the Ferozepur Station be permitted to borrow this Rs. 200, the balance being met out of local funds.

23. FEBRUARY 3RD, 1926. Letter from Mrs. H. C. Velte. *Hill House Recurring Grant :* Resolved that the recurring grant of Rs. 250 for Hill House property be assigned to Landour this year, in order to help furnish Pine Rock, for which the committee has no funds.

24. FEBRUARY 5TH, 1926. Letter from Miss M. McGee. *Furlough of Miss McGee:* Resolved that inasmuch as Miss McGee has been planning to proceed on furlough in December, and as it would seem more suitable to the needs of the Dehra Girls' School that she should go at that time, her furlough be not taken in May, as now recorded in Mission Minutes.

25. FEBRUARY 16TH, 1926. Letter from H. A. Whitlock. *Milton Stewart Funds:* The station secretaries were informed that a notice of dismissal to Milton Stewart workers is to be given by March 1st, if not otherwise provided for.

26. FEBRUARY 16TH, 1926. Letter from H. A. Whitlock. *Santokh Majra :* The action of the Mission (see Minutes, 1925, p. 36) regarding the Santokh Majra project was communicated to K. L. Rallia Ram, Esq., President of the Punjab Christian Conference.

27. MARCH 4TH, 1926. Letter from Miss A. H. Gregson. *Special Medical Charge :* The committee was unable to sanction Miss Gregson's request for payment of a special medical bill, including travel account from Shahdara to Shikohabad and return, on the grounds that it had not been previously sanctioned by the Medical Committee and cannot come under the obvious interpretation of medical expenses.

28. MARCH 4TH, 1926. Letter from W. J. Clark. *Date of H. E. Wylie's Coming to Lahore:* Resolved that Mr. Wylie come to Lahore about the 22nd March, in order to proceed with the mechanical operation of the audit of the Mission Treasurer's books this year, thus gaining a more minute experience of the books and having a longer time with the Mission Treasurer. The character of the audit to be carried out by H. E. Anderson and H. C. Wylie is to remain as contemplated by the action of the Mission (see Minutes, 1925, p. 45.)

It was noted that the effect of this action would simply be to defer until another year the employment of some firm of certified accountants for the simple mechanical audit, as the Executive Committee has now been empowered to do.

29. MARCH 4TH, 1926. Letter from C. H. Rice. *P. C. Speers' Leave of Absence:* Resolved that P. C. Speers be permitted to proceed to Vengurla for the advice and treatment of Dr. R. H. H. Goheen, the time of absence being from February 10th to March 6th, 1926.

30. MARCH 4TH, 1926. Letter from E. E. Fife. *Miss Bergevin's Leave of Absence:* Resolved that Miss Bergevin be permitted to spend a fortnight in Landour on medical advice. Miss Bergevin was in the hospital in Ludhiana before she was sent up to Landour for a period of recuperation in the hills.

31. MARCH 6TH, 1926. Letter from Rev. H. Golaknath. *The Opening of Work by Simla States Mission in Jullundur Cantonment:* Resolved that it be suggested to Jullundur Station that the temporary location of one of the members of the Simla States Mission at Jullundur Cantonment would not be held objectionable if those who may be baptized by such a worker are enrolled in the United Church of India, North. It was noted that if a permanent location is contemplated it would hardly be within our province to take action, and the matter would have to be taken up under the Rules of Comity which prevail amongst the Missions represented on the Punjab Christian Council.

32. MARCH 10TH, 1926. Letter from Dr. E. G. Lewis. *Dr. K. Brokaw's Departure:* The arrival and sudden departure of Dr. Brokaw were reported from the Ambala Station. On the request of the station, a cable was sent to the Board requesting the early appointment of another doctor to take her place.

33. MARCH 13TH, 1926. Letter from C. Borup. *Proposal to Purchase W. Powell Property in Saharanpur:* A proposal to purchase the property known as the Powell property, adjacent to the Mission compound at Saharanpur, was placed before the committee. It was decided that the consideration of this proposal must be deferred to the October meeting of the Mission.

34. MARCH 13TH, 1926. Letter from C. H. Rice. *Miss Sprague's Leave of Absence from Hoshiarpur Station:* The

committee sanctioned Miss Sprague's going to Lahore to help Mrs. Speers during a period of serious illness in the family, P. C. Speers being absent on sick leave from the station.

35. April 2nd, 1926. Letter from C. H. Loehlin. *Moga Overdraft, Class V:* An overdraft of Rs. 400 in Moga Estimates, Class V, was sanctioned on the understanding that the amount is carried forward as a debt against the estimates of the next year.

36. April 2nd, 1926. Letter from A. E. Harper. *The Acquisition of Moga Land:* The Principal of the Moga Training School was authorized to request Government to acquire a triangle of land, of about eleven acres in size, just west of the main school building.

37. April 6th, 1926. Letter from H. E. Wylie. *Dates of Summer Leave:* Resolved that H. E. Wylie be permitted to be absent from his station for two months, July 14th to September 14th, in order to attend the second term of the Landour Language School.

38. April 7th, 1926. Letter from H. A. Whitlock. *Report of Names of Governing Body to the Registrar of Societies:* It was noted that the names of our officers and governing body for the last five years have not been reported to the Registrar.

39. April 10th, 1926. Letter from J. B. Weir. *Revised Constitution of Kinnaird College for Women:* A draft of the revised Constitution for Kinnaird College for Women, Lahore, was received. A committee, to consist of F. B. Llewellyn (chairman), Mrs. Ross Wilson and M. R. Ahrens, was appointed to examine this draft constitution and to report upon it at the Annual Meeting of the Mission.

40. April 10th, 1926. Letter from J. B. Weir. *Question of Grant to Kinnaird College:* This request was referred to the Intermediary Board, within whose jurisdiction it lies.

Meeting of Executive Committee at Ludhiana, May 13th, 1926

Nos. 41 to 69

41. May 13th, 1926. *Miss A. M. Kerr, Sick Leave:* On recommendation of the Medical Examining Committee, it was resolved that, on account of ill-health, Miss A. M. Kerr be allowed three months' sick leave in addition to her two months' vacation, this to take effect as soon as the weather is such as to inconvenience her on the plains, and that Mrs. McCuskey be given charge of the Boarding School at Hoshiarpur, this to take effect as soon as Mrs. McCuskey is able to take over the work.

42. May 13th, 1926. *Audit of Mission Treasurer's Accounts:* A letter from H. E. Anderson, with reference to the Mission audit, was read. It was noted that the Executive Committee had taken

action on the 4th March, deferring until another year the employment of some firm of certified accountants for a simple mechanical audit. The Executive Committee understands that it was acting with permissible discretion in taking this previous action. The committee also holds that the Auditing Committee, as appointed by the Mission in October, 1925, stands, and that as the books are ready the work may be done at any time the auditors may arrange. It is understood that the Mission action as to the employment of a firm of accountants for a simple mechanical audit will, of course, be carried out from next year.

43. MAY 13TH, 1926. *C. H. Loehlin, Language Leave:* The request of C. H. Loehlin, for an extension of summer leave for one month for the purpose of language study, from July 1st, was granted.

44. MAY 13TH, 1926. *Secretary of the India Council:* A letter from Dr. H. C. Velte, quoting the action of the Board of Directors of the Theological Seminary, Saharanpur, was read. The following action was recorded:

'It is the opinion of the Executive Committee that the action already taken in appointing Dr. H. C. Velte as Secretary of the India Council should be regarded as final, and should be confirmed.

'That in view of the fact that the Punjab Mission has given Dr. Velte to the India Council, thus greatly crippling the Saharanpur Seminary, we request the North India Mission to appoint a missionary to help out in the Seminary for the next year. We anticipate that we shall be able to send a Punjab Mission representative in Dr. Velte's place from October of the following year, i.e., 1927.' (Copies of this action to be sent to the Board of Directors of the Saharanpur Seminary and to the Secretary of the North India Mission.)

45. MAY 13TH, 1926. *Dr. Griswold's Departure:* The arrangements already made for passage to America for Dr. Griswold and Dr. Allen, and the changes required in order to enable Dr. Allen to travel with Dr. Griswold as medical attendant, were reported to the committee. It was also decided that Ross Wilson should accompany Dr. Griswold and Dr. Allen from Lahore to the steamer in Bombay.

46. MAY 13TH, 1926. *Return of Missionaries:* It was decided that the usual form of question with reference to the return of missionaries after their first furlough be circulated to those members of the Mission who have completed five years of service, they being requested to reply to this committee for report to the Mission.

47. MAY 13TH, 1926. *Dates of the Annual Meeting:* The following dates were proposed for the various meetings in September and October:

Joint Educational and Medical Committees ..	September 27, 28
Joint Evangelistic Committees	September 29 to October 2
Meetings of Presbytery	October 4 to 7
Intermediary Board	October 12 to 16
Annual Meetings of the Mission—	
Devotional	October 23, 24
Business	October 25 and the days following.

48. MAY 13TH, 1926. *Dr. Wilfred Jones :* A letter from Dr. H. C. Velte was read, in which Dr. Dodds indicates that the Board 'will appoint' Dr. Jones to India. The committee records the desire expressed by Ferozepur Station, the Joint Medical Committee and the Intermediary Board, that Dr. Wilfred Jones be appointed to the Punjab Mission with a view to the eventual opening up of a general hospital. The committee holds, however, that the consideration of the fundamental policy involved in such an appointment, as pointed out by Dr. Speer in his recent letter, will have to be taken up in the full Mission Meeting in October.

49. MAY 13TH, 1926. *Salaries of Missionaries :* It was resolved that the Chairman of the Executive Committee write an official letter to the Board in New York, expressing, on behalf of the Mission, our appreciation of the generous action recently taken in respect to missionaries' salaries.

Salaries of Unmarried Ladies : A committee, to consist of Miss E. Morris (chairman), Miss E. J. Smith and Dr. E. G. Lewis, was appointed to study the question of unmarried ladies' salaries, and prepare, for the consideration of the Mission in October, a draft reply to the Board's question on this point. (See Board's Letter No. 45, dated 18th March, 1926, pp. 9 and 13.)

REPORTS AND RECOMMENDATIONS OF STANDING COMMITTEES

ANNUAL REPORT

The report of the Editor of the Annual Report was accepted and approved. The following resolutions were adopted:

Resolved that all material for the Annual Report be in the hands of the Editor by October 1st.

Resolved that it be made the duty of the Editor-in-chief, or some other member of the Editorial Staff of the Annual Report, to prepare each year a brief narrative report of the work of the Mission as a whole for the use of the Board, as requested in Board General Letter No. 23, p. 5.

AUDITING COMMITTEE

In line with Mission action found on p. 44, 1925 Minutes, your Auditing Committee present the following report. The Executive Committee on March 4th took action, deferring the employment of a firm of certified accountants until next year. This year this work was done by Mr. Wylie, in connection with his becoming acquainted with the treasurership. It is understood that the Mission's action as to the employment of a firm of accountants for a simple mechanical audit will, of course, be carried out from next year. Your committee met immediately upon receipt of this information, on May 24th, and carried out your instructions as to audit. In line with *Manual* instructions in Section 62, the books, balance-sheet and the annual report of the Treasurer were examined and found correct. One item, however, we found it impossible to check: the balance on hand in the cash box at the end of the year. The bank balances were verified. All transactions affecting the credit of the Board have been reported to it. Disbursements under appropriations of the five committees included in the Red Book Estimates have been made in accordance with the decisions of the said committees and of the Board in New York. Some transfers have been made, both during the year and at its close, but all are in line with the provisions of the *Manual* as set forth in Section 51. Disbursements in Class V, under appropriations in the Gray Book, considerably exceed the appropriations. In Class VI there is also a heavy overdraft, due to inadequate appropriations. The unexpended balances in special funds allocated to specific purposes are recorded as intact at the close of the year. (Dated, May 24th, 1926.)

The verification of the cash balance has since been made, so that the audit now stands complete.

DEVOTIONAL COMMITTEE

The Devotional Programme is printed at the beginning of the Minutes. The plan to use leaders from our own Mission in a con-

tinuous and connected series of study, after having had outside speakers for the past five years, has proved highly satisfactory. Your committee would hereby express its appreciation and gratitude for the full cooperation of those Mission members and of the Rev. J. L. Dodds, of the North Indian Mission, who have taken part in the programme. We also feel that the pleasure, benefit and blessing received from these important services is commensurate with the prayer support which has been forthcoming, both previous to and during our Annual Meeting.

Resolved that, in an appendix to these Minutes, the rates for hill travel (as in Minutes, 1914) be added for information. (See Appendix V.)

URDU LANGUAGE EXAMINING COMMITTEE

Resolved that we approve of the proposal that new missionaries should be located in one station, to study the language with trained *munshis* under proper supervision.

In view of the difficulty of fair relative grading of papers and oral examinations, when, as now, candidates are allowed to appear for one subject at a time in the second and third year courses: Resolved that the previous action, requiring that the examinations be reported, when completed, as falling within a certain order be rescinded; this action to apply to all three years.

Resolved that Mrs. Wylie be given credit for the work she has done in the Landour Language School, and that she be not required to take again examinations in the subjects in which she has passed; that this, however, be not considered a precedent, it being understood that it is ordinarily preferable for a missionary to appear in all the subjects for the first year at one time.

Resolved that we approve the plans of the Landour Language School for an alternative course, which shall include written papers in the examination; that our own candidates prepare for the original course, and also take the written examinations presented by the school.

Resolved that E. D. Lucas be appointed as supervisor for the language study of the new missionaries in Lahore.

Resolved that we recommend to the Urdu Language Examining Committee that they secure the full time services of a fully trained and qualified language teacher for the new missionaries.

PUNJABI LANGUAGE EXAMINING COMMITTEE

The committee has examined eight candidates in all, with the following results:

Third Year

J. V. Barrows, Oral examination only. Mr. Barrows passed in Conversation. The committee, however, feel obliged to recommend that he do the reading part over again.

There were three candidates in the Second Year. They all passed in the order named: Mrs. Duff, W. W. Duff, and C. H. Loehlin.

Four candidates were examined in the First Year, of whom Dr. Caldwell, Miss Mathews, of the New Zealand Mission, and Miss Hardson, of the Kangra Mission, passed in the order named. Resolved that hereafter all candidates intending to appear in examinations give their names to the committee not later than June 1st.

(*c*) That Mr. Rice act as financial manager and adviser of the Rang Mahal High School, during the absence of Mr. Whitlock on furlough.

MEDICAL EXAMINING COMMITTEE

The following recommendations of the Medical Examining Committee were adopted:

1. Our attention having been called by the Executive Committee to the very large overdraft in Class IV for Medical Allowance, after consideration, we feel that we cannot recommend that every missionary pay a specified basic sum against all permissible medical charges, above which the Mission will pay, as has been proposed. Nor can we recommend more stringent rules in regard to having the medical bills passed upon by our committee.

2. Resolved that we favour the principle of a general hospital, and strongly urge the India Council to assign Dr. Wilfred Jones to the Punjab Mission. Upon his arrival, the location, cost, and type of general hospital wanted can be discussed.

In this letter the nature of the positions for which new missionaries are being asked is to be clearly explained to the Board, with special reference:

(*a*) to the assignments which are in their nature definite and specific, and not subject to subsequent change;

(*b*) to those which are subject to modification or adjustment on the field;

(*c*) to those which are entirely subject to the needs of the Mission as they may appear when the new missionaries in question arrive on the field. (Board General Letter No. 21, regarding Assignments of Missionaries.)

REPORT OF PROPERTY COMMITTEE

1. *Ambala.*—The attention of the Secretary of the India Council was drawn to a teacher's house partly collapsed, due to rains. Repairs were advised and authorized by the committee for Rs. 1,000, as it would have cost very much more to save the house if it had been allowed to stand through the rains in that condition. The cost is to be met out of India Council funds, if available, or put high in the Preferred Property List. The Executive Committee was asked to authorize payments meanwhile. (See Preferred List of New Property, No. 2 (*d*); also Executive Committee Minutes, p. 18, para. 77.)

2. *Nabha Property.*—The purchase of the Nabha property for the Philadelphia Hospital was completed, the deed registered at Ambala, April 12, 1926, and deposited with the Custodian. The

cost of the transfer expenses, amounting to Rs. 593, were not covered by the appropriation of the Board of Rs. 20,000. This Rs. 593 is being asked in the new Preferred Property List, 1926. (See No. 2 (*e*).)

3. New private and surgical wards for the Philadelphia Hospital have been built at a cost of Rs. 10,000. This has been met as follows:

Government Grant	Rs. 5,000
Unexpended interest item on old Jagadhri Property proceeds (the principal already disposed of) ..	334
Fees (with permission, Red Book Minutes, 1925, p. 44, para. 18)	1,658
Loan of Cradle Roll Fund (see Minutes, 1925, p. 11, para. 24)	2,150
Special Ambala Funds	858
	Rs. 10,000

4. *Dehra Dun.*—A small garage has been constructed in the Mission compound in connection with the residence of the Principal of the Boys' High School, Dehra Dun, at a cost of Rs. 505. This has been met from special funds.

5. In addition, a latrine for the City Boys' High School has been built, at a cost of Rs. 320, and paid for from school funds.

6. The encroachments referred to last year, Minutes, 1925, p. 29, were investigated, and it was found to be due to an erroneous numbering of plots in the registers. When the errors which had crept into the Government registers were corrected, the matter was amicably settled with the neighbours.

7. *Ferozepur.*—The Fazilka property, referred to last year (Minutes, 1925, p. 29, para. 5), has been transferred to the M.E. Mission, and the sum of Rs. 1,500 received. Proposals for the use of the money were passed by the Property Committee and the Executive Committee (Minutes, 1926, p. 11) for transmission to the India Council and the Board, viz., that it be used toward the electrification of the large Newton Bungalow, and the service line to connect with the public line.

8. The mutation (see Minutes, 1925, p. 29, para. 6) of the newly purchased land at Muktesar has now been effected, and the papers deposited.

9. Further repairs on the large Newton Bungalow have been carried out, amounting to Rs. 990-14-0, met from last year's Special Repair Fund item, Rs. 725 (Minutes, 1925, p. 32, para. 25), and Rs. 265-14-0 from Local Funds.

10. Electrification of the Newton House has cost Rs. 2,541-12-0 (including connection with the public line). This was met out of the Fazilka proceeds, Rs. 1,500, and Local Funds, Rs. 1,041-12-0; total, Rs. 2,541-12-0. (See Executive Committee action, Minutes, 1926, p. 11, and Punjab Mission Minutes, 1925, p. 33, para. 33.)

11. Plans and estimates for a section of the nurses' quarters and a surgical ward were approved, and the work on the building has been completed, except for the walls protecting the courtyard. The expenditure is as follows:

Surgical Ward	Rs.	2,970	6 3
Nurses' Quarters		6,559	9 7
Iron Beds		160	10 0
Total	Rs.	9,690	9 10

Funds for this are as follows:

Government Grant	Rs.	5,000	0 0
Donations from friends, including Mrs. Skinner and Mr. Brooks, in memory of Marian Skinner-Brooks		5,401	11 0
Total	Rs.	10,401	11 0

This leaves a balance of Rs. 711-1-2, which will be used toward completion of this section and for fittings.

12. In accordance with Mission action (Minutes, 1922, p. 54, para. 4) and with the approval of the Property Committee, electricity has been installed in the doctor's bungalow and the hospital, at a cost of Rs. 2,124, met out of the sale proceeds of the old Ferozepur dispensary, Rs. 3,162. This left a balance on hand of Rs. 1,038. The Property Committee has given sanction for this balance to be used for the installation of running water.

13. *Jagraon.*—Plans and estimates for a cottage dormitory and a house for teachers in connection with the Jagraon Girls' School were approved. Day labour, under supervision of Miss Helm, was sanctioned. The work has been completed, except for the drains and a few minor matters, at a cost of Rs. 8,971, to be met out of the Board's appropriations as follows:

(1) No. 6028	Dated	Nov. 11, 1925		$3,310.56	
(2) ,, 6174	,,	Feb. 11, 1926	cancelling	981.56	2,329.00
(3) ,, 6173	,,	Feb. 11, 1926		2,111.00	2,111.00
				$4,440.00	4,440.00
			or Rs.	12,027 15 11	
			There still remain Rs.	3,056 15 11	

which, with the addition Rs. 1,200 being asked (1926 Preferred Property List, No. 2 (*g*)), will complete the second cottage dormitory. The work will proceed as soon as the Principal is able to undertake it.

14. *Jullundur City.*—An adjustment has been made for easement for Lala Daulat Ram, at a point where his land and our road touch, thus preventing the necessity of part of his road crossing our land to reach our road. Pillars have been put in at his new entrance; and the old road he formerly used has now been closed. (See Minutes, 1925, p. 34, para. 35.)

15. *Kasur.*—The bungalow and outhouses sanctioned last year have been built, but final settlement has not yet been effected. The dormitory for the Boys' Boarding School is also under way. All are expected to be ready this winter.

16. The power of attorney has been given for the exchange of a village house in Luliani for a new site, but the papers have not been completed because of the absence of one of the contracting parties from the village. The condition was that the transaction was to be completed without any cost to the Mission. The value being less than Rs. 100, no registration of the paper will be required.

17. Attention is called to the action recorded last year regarding the Kasur Cemetery (Minutes, 1925, p. 30, para. 14). The transfer has not yet been carried out, pending a new reference to the Board.

18. *Ludhiana.*—The work on the new school building has gone forward. The building, though not fully completed, is in use. Outoffices and servants' quarters have been put up; also a wall around three sides of the compound. The cost so far has been within the estimates. Comparatively little remains to be done.

19. The plans and rough estimates presented by Miss Morris, for the extensive alterations in the bungalow for the school ladies, were approved. This also includes the renovation of the servants' quarters, and a dormitory for the small boys. The work should be finished in a month or two.

20. Extensive repairs were carried out on the two-storey house, Ludhiana, rendering the building safe and serviceable, at a cost of Rs. 4,764-12-3. As the Board's Appropriation No. 5797, April 20, 1925, of $1,667, produced only Rs. 4,467-9-0, while the work was projected on the Rs. 5,000 basis, there is still left a deficit of Rs. 288 on the actual expenses. This is being asked in the Preferred Property List, No. 2 (*f*).

21. The legal proceedings against Mr. P. Wylie, Ludhiana, referred to last year (Minutes, 1925, p. 31, para. 17) are still in the courts. The next hearing is set for next spring, 1927.

22. *Moga.*—After years of effort, we have been able to secure a certain piece of land on the Zira road, adjoining Moga Training School, and north of the Principal's bungalow, and west of the barns. The area given is 17 *ghamaos*, 6 *kanals*, 19 *marlas*, and the cost Rs. 27,262. A few details are still to come in. This has been met in the following way:

Balance of Land and Building Fund	Rs. 2,394
Building Appropriation No. 6290, April 14, 1926, $3,519.08	9,660
On Loan (see Executive Committee action, Minutes, 1926, p. 16, para. 55)..	15,208
	Rs. 27,262

The deeds were registered at Moga, August 10, 1926, but the mutation of records in the *Tahsil* has not yet been effected.

23. *Improvements.*—A tube was put into well No. 2:

At a cost of .. .. Rs.	251
A new pump for the Boarding Department was installed, costing	179
New parts in a well, etc., at a cost of	361
Total Rs.	791

This was met out of the previous appropriations, of which the balance, Rs. 2,394 included above, is the remainder.

24. *Mussoorie* (*Landour*).—Plans and rough estimates were submitted by the Rev. A. E. Parker, who offered to build the new Missionary Hill House above Tafton, named Pine Rock. The plans were approved, and the work has been carried out and finished, with the exception of the servants' houses. The total cost, including furnishings, is:

(*a*) Furnishings .. Rs.	848	0	0
Buildings ..	11,448	12	0
Resources: sale of Sabathu property .. .. Rs.	5,000	0	0
Sale of Kasauli Church, less transfer expenses of Rs. 184-8	5,815	8	0
Rs.	10,815	8	0
Balance due	1,633	4	0

Balance to be met out of India Council funds, if authorized, and, failing that, to be put with the items at the top of the Preferred Property List of balances unprovided. Servants' houses have not been built, and an appropriation of Rs. 766 additional is put in the the Preferred Property List No. 2 (*h*). (See Minutes, 1925, p. 35, para. 43.)

25. A new boys' dormitory has been added to the Woodstock plant. The plans, estimates, etc., were handled by the Board of Directors of Woodstock. It has been completed at a cost of Rs. 64,413-3-6, and was met as follows:

(1) Board's Appropriation, December, 1923, $10,000 Rs.	30,000	0	0
(2) European Improvement Association	30,000	0	0
(3) Woodstock Funds, to adjust exchange and balance the account	4,413	3	6
Rs.	64,413	3	6

26. The servants' houses for the college have been reroofed and repaired, and a cement tennis court put in, at a cost of Rs. 1,595-3-6, paid for out of Woodstock funds.

27. Two septic tanks and drainage systems for the care of night soil have been built, at a cost of Rs. 2,072-10-5, and paid for out of Woodstock funds.

28. In reeasement for the Retreat, Landour, by the private road up to Buena Vista, the following copy of a letter from the Board's Attorney, E. E. Fife, to, and the reply from Miss Sophia MacKenzie Alone, owner of Buena Vista, is given below:

'*The Retreat, Landour, Mussoorie, U.P.,*
'*21st September, 1926.*

'DEAR MISS ALONE,

'As I understand that your property at Buena Vista may be passing into other hands, I am addressing you, with a view to preventing annoyance to us through questions being raised by any purchaser in reference to our privilege of using the approach from your side, just as you have the privilege of approach from below to your house over the road on our land. I refer to the privilege of approach from your side through the iron gate in the wall separating our estates, at such times as we desire to open it, even though it is ordinarily closed to the public. Would you kindly state at the bottom of this note that such is your understanding of the situation, and then return it to me.

'I am, yours sincerely,
'(*Sd.*) E. E. FIFE,
'*Attorney for the Presbyterian Board of*
'*Foreign Missions in the U.S.A.*'

Note by Miss Alone at the bottom of the original letter:

'The above is a correct statement of the situation.

'*Buena Vista,* '(*Sd.*) SOPHIA MACKENZIE ALONE.
'*Landour,*
'*24th September, 1926.*'

The Property Committee is of the opinion that the constant passing of people on the snow side of the Retreat should be stopped. The easement referred to is now safeguarded by putting in a heavy iron gate, generally to be kept locked, but used often enough to retain our rights of easement. We trust the members of the Mission going to Landour will appreciate the reason for this, and not be annoyed at the closure of one of the approaches to the Retreat.

29. *Saharanpur.*—Plans and estimates for two new rooms for teachers on the Mission compound, in connection with the City Girls' School, were approved. Personal responsibility for temporary provision of funds by the Principal of the school being assumed, permission was given to proceed with the work. The rooms are still in an unfinished state, but can be used. The cost so far has been Rs. 2,000. The item is on the Preferred Property List, 1926, No. 11 (*f*).

RESOLUTIONS CONCERNING PROPERTY

Ambala.—Resolved that the India Council be asked to grant Rs. 1,000, for repairs carried out on a teacher's house in Ambala, which was badly damaged by the rains, and required this amount to keep it from more serious damage.

Ferozepur.—Resolved that the Mission Treasurer, with the approval of the India Council, request the Board by cable to place the item of Rs. 20,000, for nurses' quarters for Frances Newton Hospital, in the Board's Preferred Property List for 1926-27, even to the exclusion of some other item from the Punjab Mission. The Mission is willing to accept the judgment of Dr. Griswold as to what item or items shall be excised, if such elimination be necessary.

Resolved that the India Council be asked to recommend to the Board the use of the proceeds of the Fazilka sale, Rs. 1,500 (being the value of the improvements, the land not being saleable), toward putting electricity into the Newton Bungalow, Ferozepur Cantonment.

Resolved that additional sanction for completing the Muktesar reconstruction be given, details of plans and estimates to be submitted as usual, and the estimated cost of Rs. 9,000 to be covered by sale proceeds of further Muktesar property. (Minutes, 1925, p. 35, para. 46.)

Jullundur.—Resolved that we delete the items of Rs. 321 and Rs. 297 for electric installation for the High School Bungalow and the District Missionary's Bungalow from Column D estimates of Jullundur, pending further information. Concerning a request from Jullundur Station for a copy of the Gray Book, inasmuch as the appropriations under Classes V and VI are handled by the station, Resolved that the Mission Treasurer be requested to send typewritten copies of the necessary estimates to Jullundur Station.

Kaithal.—Resolved that the item in the Preferred Property List for a bungalow and land at Kaithal be placed No. 8, and that a covering letter be written and sent to the Board by A. B. Gould and J. H. Orbison, explaining why Kaithal is given that place and setting forth the evangelistic opportunities of the field.

Lahore.—Resolved that an item for a memorial building for the late Dr. J. C. R. Ewing, for Forman Christian College at Lahore, be placed first on the Punjab Mission's Preferred Property List, with the request and the hope that the India Council will strongly advise the Board in New York that this item be not considered as a part of the Punjab Mission's property quota, or even of India's quota, inasmuch as the memorial is one for a former Secretary of the India Council and the late President of the Board itself.

Resolved that the Board, through the India Council, be requested to grant permission to sell Newton Villa, at a sum to be approved by the Property Committee. The proceeds to be expended as follows (possible receipts, Rs. 200,000):

1st claim—Payment for Mission Treasurer's House	..	Rs. 28,000
2nd claim—Purchase of land suitable for the F.C.C.	..	136,000
Houses for two American professors ..	..	36,000

The Mission also wishes to record the following list as the programme of the Forman Christian College, of which the above forms a part:

1. Twenty acres of land for residences for professors and students, and playing fields.
2. Four houses for American professors.
3. Three hostels, to accommodate a total of three hundred students.
4. Four houses for Indian Christian professors.
5. Endowment.
6. Realignment of present College buildings.

Resolved that the Punjab Mission request the Board, through the India Council, to appropriate the amount of Rs. 44,000, placed upon the Preferred Property List for land and buildings for Kinnard College, Lahore, from the Sage Legacy or the Harkness Bequest, or both.

Resolved that the following answer be made to the Naulakha Session: (1) that the Mission will resume responsibility for the Wagah property, including the Church; (2) that some arrangement be worked out by the Property Committee suggesting what area may be set apart for the Church at a rental of one rupee a year; (3) that the remainder of the land and the buildings be sold as advantageously as possible; and (4) that the request for permission to adjust and to sell be laid before the Board, through the India Council.

In view of the declared attitude of the Board as being opposed to the transfer of Board's property to the National Church in any country at the present time, the Mission is unable to recommend to the Board in New York the request of the Session of the Naulakha Church for the transfer of the Pastor's house to the church.

Lahore Presbytery.—The Lahore Presbytery asks for an additional clause in the proposed conditions on the basis of which Kasur cemetery is to be transferred to the Lahore Presbytery, viz., to the first clause (see Minutes, 1924, p. 29) there be added the sentence: 'If the Government or the congregation should close the cemetery, the proceeds from the sale of the cemetery shall be used for purchase and arrangements for another cemetery.' Resolved that we recommend to the Board in New York, through the India Council, to allow this condition to be added to the other, provided the words 'or the congregation' be omitted.

Moga.—Resolved that an Emergencey Repair item of Rs. 3,500 for repair of the District Missionary's Bungalow, Moga, be asked from the India Council. The roof and woodwork are seriously damaged by white ants, which condition makes the house a source of some danger to the occupants.

Sanction was given for the inclusion of the following items in the

Property Committee's report: Moga District Missionary's Bungalow, reroofing high portions with tee-irons and some new tile; reroofing practically the whole structure; taking out all the woodwork for examination, replacing eaten woodwork and applying salignum to the whole, not to include the east kitchen wing, which is to be demolished; to cost about Rs. 3,500.

Mussoorie (*Landour*).—Resolved that the following be submitted to the Board of Directors of the Woodstock School: (1) that from April 1st, 1927, the item in Class V, Insurance, Rs. 760, be made available for the Punjab Mission (or from such date as the present insurance policies expire); (2) that the item of taxes, Rs. 816, in Column C, may still be paid by this Mission so long as this Mission holds the property, but the amount should be deducted from our payment of Rs. 2,500. This is in view of the fact that the new society of cooperating Missions might begin to assume some of the financial responsibilities hitherto carried by our Board and its Missions; and (3) that we do not regard this as any reduction in our quota of Rs. 2,500.

Resolved that the Property Committee be empowered to draw up the terms of a lease for the Woodstock property to be used by the new Woodstock School and College organization, providing, amongst others, the following items (all to be brought before the Mission next year): (1) long-term lease of rental on a rising scale of rupees; (2) careful demarcation of the land and buildings, reserving necessary building sites for Mission use; (3) reservation to the Mission of forestry rights, which may be leased to the school at a yearly rental of, say, Rs. 2,500 for the first two years, after which an adjustment of the figures may be made for a further period of two years; (4) reservation of quarrying privileges; (5) taxes to be paid by the Mission, deducting the amount, however, from any cash grant made to the school; (6) the Mission to have the right of cancellation of lease at any time on due notice of five years—if the school cease to have the approval of the Mission and the Board; (7) no building to be erected on site or quarrying done without previous sanction, including plans and estimates, by the Property Committee of the Punjab Mission; (8) in case the Mission cancels the lease, the school is to be reimbursed for any buildings erected under clause (7) above, by the Mission, at values to be determined (according to the clauses adopted); and (9) a careful inventory and valuation of the present buildings and equipment handed over for use of the school, which are not to be altered without permission of the Property Committee of the Mission, the school to be responsible for the same.

Resolved that the Mission recommend to the Board, through the India Council, that a site below the Shanty be granted to the 'Landour Community Centre,' a society of Landour missionaries about to register themselves under the Societies Act; the land to

be used for the erection of a building for use as a club house, and for tennis courts. The details and terms are to be drawn up by the Property Committee, for submission to the Executive Committee of the Mission. The Mission suggests the following items for inclusion in the terms of agreement: (1) any building erected on this site shall first receive the approval of the Property Committee of the Punjab Mission; and (2) the building to be such that it may be adapted for Mission use when, or if, it becomes the property of the Mission.

Saharanpur.—Resolved: (1) that the W. Powell Property, in Saharanpur, be purchased for Rs. 15,000, subject to the careful examination of the title and the structure and on competent advice, to meet the need in Saharanpur for a district missionary's bungalow; (2) that this purchase be arranged for by asking the Christian Mutual Insurance Co., Ltd., Lahore, whether or not they will buy it at the above figure, in anticipation of our receiving the funds for the bungalow on the Preferred Property List, No. 4 (*b*), and being able to take the bungalow from them at their purchase price; (3) that the Christian Mutual Insurance Co., Ltd., be asked to make over the use of the bungalow so purchased for a payment of 6½ per cent. on the purchase price; (4) that this 6½ per cent., or Rs. 975, say Rs. 1,000, be met by asking the India Council to pay as rent for its Secretary this sum, provided he occupies a house of the Punjab Mission.

Resolved that the authorities of the Seminary, Saharanpur, be permitted to instal electricity in the Seminary buildings and bungalow, so far as they can, by using income from Trust Funds held by the Seminary.

General.—Resolved that the matter of architects and plans for new buildings (Board General Letter No. 23) be referred to the Property Committee for report on the feasibility of this matter.

Resolved: (1) that hereafter the principle of preparing the Preferred Property List some time in the spring be accepted; and (2) that a committee, composed say of the Executive Committee, the Property Committee, plus enough others to secure representation from all the stations, or some other acceptably balanced committee, be asked to prepare the list; (3) that the list prepared by them shall be forwarded to the Secretary of the India Council; and (4) that the India Council be asked to provide arrangements whereby a Council's Preferred List shall be made in time for transmission to New York, for inclusion in the Board's Preferred List for the following autumn.

Resolved that the Mission authorize the Property Committee to issue a small pamphlet summarizing requirements in connection with property, e.g., procedure in registration and mutation of property, boundaries, legal rights, actions and papers required by the Property Committee before buildings may be begun, building accounts and related matters.

Adjustments are proceeding and the Property Committee will bring in a report of the proposed use of the Board's Special Appropriation of $835.42 for special repairs.

Whereas a letter has come from R. B. Nesbitt, pointing out the omission from the India Council Minutes, 1925, of the motor car list appearing in the Punjab Mission Minutes, and whereas he has been refused permission to solicit on the ground that this item is not in the India Council List, while another car appears in the India Council List, Minutes, 1925, p. 52, item 4 (*b*), Resolved that the attention of the India Council be called to this matter for favour of any action thought suitable, and for communication to Mr. Nesbitt.

Resolved that the Punjab Mission strongly recommend to the Board, through the India Council, that the Rev. and Mrs. A. E. Harper be permitted to build a cottage at Landour on Mission property in the fall of 1927. Resolved, further, that the terms of the agreement between them and the Punjab Mission be committed to the Property Committee, who shall report to the Executive Committee for final sanction, provided the sanction of the Board is obtained.

Resolved that Mission sanction must be obtained for all new items to be included in the Preferred Property List. (This was carried out this year.)

Resolved that the Property Committee be permitted to complete the Preferred Property List for the items after No. 18.

Resolved that the Preferred List, as amended, be adopted. (See Appendix IV.)

Resolved that the Board, through the India Council, be asked to calculate the dollar equivalent of the items to appear in the Board's Preferred Property List, using 2.75 as the exchange figure, in order to prevent loss when the dollar appropriations are again converted back into rupees at the average current rate.

Resolved that the Mission draw the attention of the India Council to the pamphlet issued by the Board, *Instructions for Preparation and Use of Property List*, 1925, p. 4 (2), last sentence, as follows: 'The Board recommends that if the Mission cannot at once include under present appropriations all that is needed for repairs, it assign as much as possible for this need from the first increase granted by the Board in the guaranteed appropriations'; and ask them to keep this need for more repair money clearly in mind in making assignments of any new money for the Gray Book (Mission-handled money). (See also India Council Minutes, 1923, p. 24, para. 10.)

The attention of the Mission was drawn to Board General Letter No. 23, p. 3, to the effect that 'hereafter in all cases of sale of property on the field, not only the fact and terms of sale be reported at once by the Secretary of the Mission, but that the proceeds of the sale, as received, be credited to New York by the Mission Treasurer.'

The report of the Publishing Committee was accepted and approved.

Punjab Christian Council.—C. H. Rice, one of our representatives on the Punjab Christian Council, called the attention of the Mission to certain resolutions passed by that Council in its meeting of April, 1926.

SANTOKH MAJRA COMMITTEE

1. Resolved that, in reply to Board Letter No. 44, p. 26, the Mission considers the Kaithal *Tahsil* an excellent field for evangelistic work, apart even from Santokh Majra.

2. In reply to a request of the Intermediary Board that the Lahore and Ludhiana Presbyteries have one representative each on the Santokh Majra Managing Committee, Resolved that, in our opinion, there exists no valid reason for such ecclesiastical representation, inasmuch as the Santokh Majra community has already a clearly defined relationship with the Ludhiana Presbytery through its church organization. The work of the Managing Committee is largely related to property matters, and hence it holds no ecclesiastical authority. The presence on the committee of an Indian, who is a trained agriculturist, enables the committee to secure the best advice possible from the Indian point of view.

SPECIAL COMMITTEES

FURLOUGH AND FURLOUGH STUDY

The President reappointed the Furlough Committee of last year, namely, E. E. Fife, Mrs. Ross Wilson, and Mrs. W. J. Clark. This committee presented the report as printed below, which was accepted and adopted by the Mission:

Resolved that H. A. Whitlock, whose furlough was authorized last year for June 1 (Minutes, 1925, p. 39), be permitted to leave at that time, being one month and twelve days earlier than the date on which his furlough falls due.

Resolved that Mr. and Mrs. F. B. McCuskey be permitted to go on special furlough in February, 1928, for reasons detailed by Mr. McCuskey, which he will present to the India Council and the Board.

Resolved that Dr. and Mrs. J. H. Orbison be permitted to go on special furlough, leaving May 1, 1927, after having served six years and four months since their last furlough.

Resolved that Mr. and Mrs. P. C. Speers be permitted to go on regular furlough about April 15, 1927, for reasons as follows:

(*a*) Recommendation of the Medical Examining Committee of the Mission: 'The Medical Examining Committee recommend to the Mission, through the Furlough Committee, that, on account of

health conditions, Mr. and Mrs. Speers be allowed to go on furlough ten months ahead of regular time, namely, in April, 1927.'

(*b*) Recommendation of the Board of Directors of Forman Christian College: 'The Board of Directors of the Forman Christian College recommends to the Mission, India Council, and Board, that Mr. and Mrs. P. C. Speers be permitted to go on furlough in April, 1927, being ten months ahead of the regular time. This is recommended as a special case for the following reasons:

'(1) Mr. Speers' health: a copy of the medical report sent to Dr. Dodds in New York is filed with the Mission Secretary.

'(2) The necessity for proper officiating arrangements in the college. It seemed probable last winter, when Mr. Speers became ill, that he would have to return to America immediately. The college, therefore, cabled to New York to try to get a man immediately to take the place of Mr. Speers. Dr. Lucas was able to secure the services of a very good man, who has come for two years, which will carry him through to June, 1928, only. Mr. Speers will have to be back for the opening of college, October, 1928.

'(3) The regular furloughs of four American members of the staff fall due in 1928. This will make a very large gap in the teaching staff of the college. If, for other reasons, it is desirable that one of these go at another time, it will be of real help to the college.'

Resolved that, immediately following the roll, there be printed in the Minutes the names and dates of arrival within the bounds of the Mission of all new and furloughed missionaries for the year, with an expression of the welcome and good wishes of the Mission.

A vote was taken, by ballot, on the question of the return to India of Miss B. H. Orbison, who is soon to go on furlough for the first time, and the ballots were sealed and sent to the Secretary of the India Council for count.

It is suggested that, if confirmed by the Board's Medical Examiner, she undertake special studies in Bible and Educational methods.

Resolved that the Board be asked to provide furlough study allowance for Miss B. H. Orbison.

Resolved that, in view of Dr. and Mrs. Orbison's desire and intention of returning to and ultimately retiring in India, and because we have various lines of work which we believe they will be able to do efficiently, we recommend to the Board that, if the Board's physicians approve, they be permitted to return after furlough, and continue in service for another year. It is anticipated that Dr. and Mrs. Orbison will be able to continue in active service for considerably longer than one year.

Resolved that, on their return from furlough, Dr. and Mrs. J. H. Orbison and Miss B. H. Orbison be located at Hoshiarpur, with a view to Dr. and Mrs. Orbison's engaging in city evangelistic work, and of Miss Orbison's taking charge of the Mary Chatterjee Primary School.

Resolved that H. A. Whitlock be located in Lahore for work in Rang Mahal School, after returning from special furlough.

Resolved that we recommend to the Board that Mrs. E. A. Jones be reappointed to the Punjab Mission.

Resolved that the Board be requested to approve of the continuance in active service, for the next year, of the following: Dr. and Mrs. H. C. Velte, Dr. J. R. Carleton, Dr. and Mrs. J. H. Orbison, who have now reached the retirement age.

The attention of the Mission was called to Board General Letter No. 23, p. 3, concerning the necessity of rigid furlough control and economy.

ESTIMATES, CLASSES V AND VI

The estimates of Classes V and VI were committed for scrutiny to a committee, consisting of F. B. McCuskey, Mrs. J. B. Weir

and H. E. Anderson, who presented the following report, which was accepted and adopted:

All items in Columns A, B, C, and D were approved. Resolved that if, and when, any increase of funds has been received, the Property Committee and the Executive Committee shall distribute the said increase as will best conserve the property interests of the several stations.

A letter having been received from Jullundur Station requesting permission for a representative to attend the Mission Meeting at the time Class V estimates are under discussion, be it Resolved that reply be made that the Mission does not feel that any essential loss will accrue to Jullundur property interests from non-attendance. Statements of need will be given equal consideration along with other statements.

JOINT COMMITTEES

The Minutes of the Intermediary Board, Joint Medical and Joint Educational Committees were read for information. The Minutes of the Lahore Joint Evangelistic Committee, the Ludhiana Joint Evangelistic Committee, and the joint sessions of these committees, were read and reviewed by the Mission.

MOTOR VEHICLE COMMITTEE

Whereas C. H. Loehlin received Rs. 1,150 from friends for the purchase of his car, and whereas he has invested Rs. 1,100 of his own, be it Resolved that the car be known as half Mr. Loehlin's and half Mission-owned.

Whereas Miss C. R. Clark has sold the car that was known as 'Ferozepur car for district ladies,' for Rs. 500, and whereas she has purchased a new car, investing Rs. 1,900 of her personal money, be it Resolved that the car be known as belonging one-fifth to the Mission and four-fifths to Miss Clark.

Whereas H. E. Wylie is purchasing a car with funds which came out through the Board for that purpose, be it Resolved that the car be known as a Mission-owned car.

PERSONAL LABOUR REPORTS

The President appointed Miss W. H. Porter and Miss F. M. Hesse a committee to receive and scrutinize the Personal Labour Reports. The committee reported that such reports had been received and scrutinized, with the exception of those from the following persons: Miss J. R. Carleton, Mrs. D. P. Ross.

Resolved that it be the sentiment of the Mission that married ladies should submit Personal Labour Reports.

TEN-YEAR PROGRAMME

Resolved that Ross Wilson, Chairman of the Ten-Year Programme Committee, be requested to visit the stations of the Mission for the purpose of completing the programme of development.

INSTITUTIONS

DEHRA DUN GIRLS' HIGH SCHOOL

Resolved that we urge the Board of Directors of the Dehra Dun Girls' High School to consider seriously the reduction of the quota of missionaries from the Punjab Mission in the school from three to two.

FORMAN CHRISTIAN COLLEGE

The Principal of the Forman Christian College read a report of the work and needs of the institution, and the following special minute was adopted: We have heard with very great interest the statements of the Principal and of the President of the Board of Directors of the Forman Christian College. We note with approval the aim and purpose of the staff and directors to maintain the outstanding position which the college has held during forty years as a centre of Christian influence in the University. We sympathize with their feeling that a critical state has been reached in the institution, due to the increase in the number of students on its rolls. It is felt that the spiritual interests of these students are suffering because sufficient attention cannot be given to them through personal and individual contacts. To meet this urgent need, residential quarters for the Christian professors, and hostels for the students, built in near proximity to these, are urgently required. The Mission expresses its earnest hope that the Church in the U.S.A. will respond generously to the appeal of the college, and thereby maintain this great institution as a strong evangelistic agency for reaching the educated classes of the Province and of India.

KINNAIRD COLLEGE

Miss E. M. Edwards, Principal of Kinnaird College for Women, Lahore, addressed the Mission concerning the development of the college, making special reference to the new site recently acquired by them.

The report of the Special Committee on the Draft Constitution of Kinnaird College was accepted and approved. Resolved that the Draft Constitution be referred back to the Executive Committee of the Board of Directors of the Kinnaird College, with the recommendations of the Special Committee, a copy of which is filed with the Secretary of the Mission; ultimate sanction to be given by the Executive Committee of the Mission.

SAHARANPUR THEOLOGICAL SEMINARY

A report regarding the Theological Seminary was presented by the Rev. J. L. Dodds, and the following actions were taken:

1. Resolved that we approve and confirm the tentative plan of cooperation with the English Baptist Mission. (See Appendix VI.)

2. Resolved that Mr. and Mrs. J. W. Bowman be located in Saharanpur, for work in the seminary, upon their return from furlough.

Resolved that, while the Mission sympathizes with the need for accommodation near the seminary for the Baptist representative on the staff, it is, for the following reasons, unable to provide such accommodation:

(*a*) the great need for additional accommodation for its own missionaries now located in Saharanpur;

(*b*) the urgent property requirements of other stations.

Resolved that the Mission again recommend to the Board to allow J. W. Bowman, while on furlough, to solicit contributions towards a Library Endowment Fund for the Saharanpur Theological Seminary, up to $5,000. (See Minutes, 1925, p. 51, and Preferred Property List, 1926, item 24.)

WOODSTOCK SCHOOL

Resolved that we approve of the registration of the Board of Directors of Woodstock School under Act 21, 1860. We understand that this Act does not require unlimited liability.

GENERAL RESOLUTIONS AND MISCELLANEOUS BUSINESS

Dr. J. R. Carleton

The Mission notes with pleasure that the Government of India, in recognition of her long and valuable service in establishing medical aid for the women of Ambala, has awarded Dr. J. R. Carleton the Gold Kaisar-i-Hind medal. The Secretary was instructed to send a letter of congratulations to Dr. Carleton and to record this action in our Minutes.

Miss Sanoti Chatterjee

Resolved that the Punjab Mission hears with pleasure of the desire of Miss Sanoti Chatterjee, granddaughter of Mrs. K. C. Chatterjee, to devote her life to missionary service, and cordially recommends her to the two Evangelistic Committees, through the Women's Advisory Committees, with a view to employment under their jurisdiction.

Educational Survey

Resolved that the consideration of the Educational Survey be postponed for one year.

Hoshiarpur School

Resolved that the Girls' Primary School at Hoshiarpur be named the 'Mary Chatterjee Primary School.'

Income Tax

A statement concerning the income tax was made by the Mission Treasurer, after which the following resolutions were adopted:

Resolved that each Mission station prepare a list of the missionary wives, with the work assigned to each, to be submitted to the Executive Committee, and later to the Mission Treasurer. It is understood that any lady may request that special work be not assigned to her; also that this list will not appear in the printed Minutes of the Mission, but a copy will be filed with the Secretary of the Mission.

Where the wife is entitled to draw separate salary, Resolved that the salaries be divided equally between husband and wife, inasmuch as the churches and societies at home, through the Board, contribute equal sums for husband and wife.

India Council Constitution

The following changes proposed by the India Council in the Constitution of the India Council were adopted:

Art. I.—From 'recommendations' read as follows: 'Recommendations on methods of work and by taking such actions as are necessary to carrying into effect of the will of the Board as expressed in the *Manual* and the Board's correspondence.'

Art. III, Sec. 3 (*c*)—After 'appeals,' line 5, delete 'from the actions of a Mission.'

Art. IV, Sec. 2.—Add at the end: 'The Secretary-elect shall ordinarily assume office as soon as practicable after the close of the Annual Meeting of the Council.'

By-laws 3.—Number long paragraph as (*a*). To be added: '(*b*) appeals arising out of the working of any plan of cooperation between Church and Mission in accordance with its own constitution shall be dealt with by the Council.'

The following amendment, proposed by the North India Mission and reported to us by the Secretary of the India Council, was not approved: Article III, Section 1, first line: change 'six' to 'nine'; second line: change 'two' to 'three.'

Ludhiana Station

Resolved that the Ludhiana Station be permitted to use the Orbison house as a residence for the headmaster of the Ewing Christian High School, with the understanding that the school provide the funds for the extraordinary repairs needed at this time.

Mission Treasurer

Resolved that, on the occasion of W. J. Clark's proceeding on furlough, the Mission express its very real appreciation of his selfsacrificing work as Mission Treasurer. By doing this arduous and often unpleasant work so thoroughly and well, he has relieved all of us and enabled us to devote more time to the work which is so close to his heart as well as to our own. We take this opportunity of expressing our deep appreciation of how much this has meant to us all.

Resolved that the date of H. E. Wylie's assuming the full duties of Mission Treasurer be fixed at 15th January, 1927, after the closing of the accounts for the third quarter; and also that he give all available time before this date, and after the completion of the Minutes of the Annual Meeting, to village work in Ferozepur District.

A statement of Mission finances was presented by the Mission Treasurer. The following minutes were adopted:

Resolved that the Executive Committee entertain and decide upon the representations concerning overdrafts on repair accounts during the past two years to be presented to it by the following stations and institutions: Ambala, Dehra Dun, Ferozepur, Lahore, Ludhiana, Moga, Rupar, Philadelphia Hospital. This committee will also advise upon the use of the recent special repair appropriation of Rs. 2,290-11-9.

Resolved that the Mission earnestly request the India Council to grant to the Punjab Mission the sum of Rs. 3,400, or 40 per cent. of the Council Emergency Fund, whichever may be the larger sum, to meet an emergency need arising from unusual medical expenses in the year 1925-26.

Resolved that all orders on the Treasurer for repairs be drawn in each station by one person, in order to prevent overdrafts.

Saharanpur Plan

Resolved: (*a*) That the Mission approve in principle of the transfer of Woodstock School and College from the superintendence of the Intermediary Board to that of the Mission; (*b*) that notice of the following amendment to the constitution of the Saharanpur Plan be hereby given: I, Constitution of Joint Committees, B. 3, add at the end: 'excepting Woodstock School and College'; (*c*) that a copy of this proposed amendment be sent to the Presbyteries; (*d*) that the Mission authorize the Executive Committee to carry out this transfer upon receiving the approval of the Presbyteries.

Resolved that the Mission favour the amendment of the Saharanpur Plan, Section I, B. 1, in line 1, after the word 'Mission,' by adding the words: 'not covered by Art. I, A, or I, B. 3.' Also delete the words, 'Anglo-Vernacular Middle Schools.'

Resolved that the Mission give notice at this time to the Lahore and Ludhiana Presbyteries of its intention to examine the Saharan-

pur Plan at its Annual Meeting in 1928, with a view to its renewal, alteration, or annulment.

Salaries—Exchange

Resolved that the President of the Mission write a letter to the Board, expressing the gratitude of the assembled Mission for the prompt and generous action of the Board for our financial relief.

The special committee on salaries, consisting of Miss E. Morris, Miss E. G. Lewis and Miss E. J. Smith, appointed by the Executive Committee, presented the following report, which was accepted and adopted: In the Board's *Manual*, Section V (*a*), Salaries, paragraph 64, are the words, '60 per cent. of the salary of a married man is provided as a rule for unmarried men and women.'

The present increase in our salaries, which has been most gratefully received by our single men and women, is not different from this accepted proportion. Whatever considerations led to the establishing of this rule in the first place are operative today. We would respectfully request that the present salaries be continued.

Concerning the request for a special Lahore allowance, the Mission submits that the facts cited last year remain unaltered; indications point to a steady increase in the expense of living in Lahore; but in view of the generous response of the Board to the Mission's request for a 25 per cent. increase in salaries, and the fact that the Board is still not entirely free of debt, we do not press for a special Lahore allowance at present. It may, however, be necessary to raise this question in the future.

It was resolved that we reply to Board Letter No. 44, pp. 18-20, as follows: in continuation of the consideration of fixing a rate or rates of exchange for the conversion into rupees of the dollars appropriated by the Board under Class I, be it Resolved that, as the Government of India has recently proposed legislation to maintain a rate of exchange between the rupee and the pound sterling which will establish a new rate of exchange between the rupee and the dollar, the Board be requested to arrange, if possible, that in the interval the rate so generously made for the last year of rupees three to the dollar be continued.

Resolved that we ask the National Christian Council to consider the advisability of making a representation to the Government of India in favour of the 16 pence rate of exchange, with a view to saving all British and American missionary and philanthropic societies the serious loss involved in fixing exchange at 18 pence to the rupee. This representation does not intend to enter into any of the economic issues involved, but only to present to the Government the fact that missionary societies lose greatly by the higher rate.

Statistical Year

Resolved: (1) that we ask permission of the Board to change the Mission Statistical Year so as to fix it from April 1 until March

31 of the following year, in accord with the Saharanpur Plan; (2) that J. V. Barrows be instructed to write a covering letter to the Board, explaining the reasons for the above action; and (3) that if this change is accepted by the Board, the attention of all concerned be called to the point that five months of last year's statistics, i.e., from April till August, will again be required for the 1926-27 statistics. Resolved that permanent statistical registers be kept by each station.

Station Reports

Resolved: (1) that next year the Mission shall set aside the first day of the business sessions for hearing reports of stations and institutions; (2) that the station reports shall be prepared and presented in sections representing the various types of work by individuals appointed by the stations; and (3) that the allotment of time to the different stations and the programme of this day of reports be committed to the Devotional Committee, for inclusion in their printed programme.

Summer Leave

Resolved that, after the age of 55, the duration of leave in the hills shall be left to the judgment of the individual missionary.

Transfer of Stations

With regard to the transfer of the following stations to the North India Mission, it was resolved that we see no valid reason for the transfer of Saharanpur Station; that we do not recommend the transfer of Dehra Dun and Mussoorie (Landour) at present.

Voting on Return of Missionaries

Resolved that, in reply to the question of the Board General Letter No. 20, p. 3, col. 2, para. 5, it be recorded as the opinion of the Mission, that a vote on the return of missionaries after furloughs subsequent to the first should not be mandatory upon the Missions as a *Manual* rule.

Resolved that, in reply to Board Letter No. 20, p. 4, last paragraph, a statement of the procedure adopted by our Mission in recent years be forwarded to the Board as representing the judgment of the Punjab Mission on the method and procedure of voting on the return of first term missionaries.

Resolved that the members of Lahore Station and the Assistant Clerk be entrusted with the final reading of the Minutes.

Resolved that the Mission record a hearty vote of thanks for the hospitality of Dr. and Mrs. Fife and the other Ludhiana friends, and for the very delightful arrangements made for us by the Catering Committee.

Adjourned with prayer, by Dr. Orbison, at 11-30 p.m., Saturday, October 30th, 1926.

APPENDIX I

SANTOKH MAJRA

We are glad to be able to report some improvement in the situation at Santokh Majra. Since the coming of the new Pastor last February, there has been a better spirit among the tenants, with fewer quarrels and cases requiring discipline. The crops have been quite good on the whole, but some damage was sustained on account of a heavy hail storm during the spring. One member of the committee visited the estate in midsummer, taking with him several American ploughs, and for one week gave practical lessons in their use. The Day School, we are happy to say, is in excellent condition. Financially, also, the prospect is better, although there are still some tenants who strongly remind us of Rastus of old Kentucky. That gentleman had borrowed five dollars from Ephraim. Said Ephraim when they met, 'Rastus, How about dat five dollars, which I done lent you, does you refuse to pay it?' 'O, No,' said Rastus, 'No indeed. I don't refuse, I merely refrains.' There are still quite a few tenants who merely refrain from paying up their arrears of rent, but that number has shown a substantial decrease in the past year.

APPENDIX II

In Memoriam

Sarah H. Shields joined the Punjab Mission in 1916, and, after a year spent in the study of the language at Dehra, was transferred to the Hoshiarpur Girls' School, where she worked for two years. In December, 1919, she began her work in the Jagraon School, where she served as Associate Principal for two years and then as Principal, until leaving on furlough in 1923. She was always most conscientious, and she gave herself fully to those whom she had come to serve. By her gentleness and sympathy she was able to win the confidence of the most reserved of her pupils, and her wise counsel helped many a girl to find the way out of problems and perplexities.

Never very strong, she knew how to conserve her energies for those things which were of the first importance; and, by the systematic use of her time, was able to accomplish the duties resting upon her. In her untimely death, less than three months after her return from a prolonged furlough, the Mission lost a valued fellow-worker, and the women and children of India a true friend.

Mrs. E. M. Wherry died on January 28, 1926, at Cincinnati, Ohio. Dr. and Mrs. Wherry came to India in 1867, in a sailing ship, the voyage taking five months around the Cape of Good Hope.

They spent their first years in Rawalpindi, then were transferred to Saharanpur for several years ; but most of their missionary life was passed in Ludhiana, where both are lovingly remembered. All who have ever been in Mrs. Wherry's home will remember her cheerful, happy hospitality. Her home was open to all who might come as guests, whether expected or not. She took an active part in the affairs of the Hindustani Church, and each month for many years had the meetings of the Women's Missionary Society in her drawing-room or on her verandah. All the women held her in great esteem. She and Dr. Wherry returned to America on furlough in 1921, expecting to come back to India, which they regarded as home, and where their hearts were ; but by recent rules they were placed on the 'Honourably Retired' List, and for health reasons were advised to stay in the U.S.A., where Mrs. Wherry died at the home of their eldest son.

Mrs. H. M. Andrews, as Miss Hutchison, came to India first in 1879, with the party which included Miss S. M. Wherry, Miss M. R. Greenfield, and Dr. and Mrs. J. C. R. Ewing. She was located in the North India Mission, where she remained a number of years. Returning to America, where she remained for some time, she was married to the Rev. H. Marston Andrews, and returned with him to the North India Mission.

In 1898 Mr. and Mrs. Andrews were made joint principals of Woodstock School, where her influence and ability were large factors in the development of Woodstock. Both Mrs. Andrews and her husband were subject to illhealth, and yet they carried on the adminstration of the school with sustained interest and efficiency. It was because of Mrs. Andrews that the Ladies' Boards at home took so keen an interest in Woodstock. A recent letter from Mr. Andrews told the sad news of his wife's death, in August, at Bellingham, Wash., where they have been living since they left India.

APPENDIX III

MISSION FORCE AND NEW WORK

(A) *Report of Committee.* This committee presents practically the same preferred list as last year, as we have received so few additions and our needs increase rather than diminish.

We would call attention to the fact that the need for a doctor in Ambala and a nurse for Ferozepur is still urgent.

The need for district men for Ferozepur and Hoshiarpur is still unmet.

We would renew the plea of last year for a community worker for Lahore, and would call attention to the request for an industrial missionary.

The Mission has committed itself to the policy of two single ladies for each occupied district for evangelistic work, but we are still far short of this goal. In 1922 we asked the Board to send during the next five years eighteen single ladies for district work, but during that time only two have been sent who were available for this work, and of these only one is at present in such work.

The committee desires to emphasize again the great need for this type of work, in view of the large numbers of untaught baptized women, who are very seriously hindering the educational and spiritual progress of the Church, so large a proportion of which is in the villages. We have twelve occupied fields, in only two of which there are two single ladies, while in three districts three ladies are working alone. We would urge the need for the immediate appointment of three ladies to complete the number for these three districts.
